Standing on deck, you can almost imagine the Vikings and Czars sailing here for centuries as you cruise thru the Baltic Sea. Then glistening cities rise mirage-like from the water before you, storybook Stockholm, spread across 14 jewel-like islands; quaint like Copenhagen, it's picturesque harbor watched over by a statue of Hans Christian Andersen's Little Mermaid; and then arrive to magnificent St. Petersburg, with its incredible palaces and cathedrals.

Princess offers more ways than ever before to enjoy these sparkling lands. So sail north with us and see the majestic attractions awaiting you in Scandinavia and Russia. This itinerary features a 10 day cruise with 7 ports of call, including visits to Copenhagen, Stockholm, Helsinki, and St. Petersburg.
